

# Environment Policy

The logo for MMH, consisting of the letters 'MMH' in a bold, white, sans-serif font, enclosed within a white rectangular border with rounded corners.

At MMH, we combine long term financial success with social responsibility and protection of the environment. We make it a priority to ensure that our services and those provided by our contractors are delivered with the least impact on the environment and in compliance with all legal requirements. To achieve this goal, MMH shall:

- Integrate environmental concerns as part of its business strategy;
- Maintain a framework which complies with environmental legislation;
- Implement actions to reduce any identified impacts on the environment;
- Create a framework for setting and reviewing environmental objectives;
- Establish and maintain auditable, environmentally sound working procedures and practices throughout its operations;
- Continually improve the environmental management system to enhance performance;
- Monitor environmental performance on a continual basis;
- Reduce, re-use and recycle waste;
- Reduce emissions and prevent pollution;
- Conserve water and energy;
- Continuously explore ways to use alternative renewable energy;
- Improve processes and procedures to protect the environment;
- Define contractors' environmental obligations and ensure compliance;
- Promote environmental awareness amongst personnel and contractors.
