

Security Policy

The logo for MMH (Mediterranean Maritime Hub) consists of the letters 'MMH' in a bold, white, sans-serif font, enclosed within a white rectangular border with rounded corners.

Located at the heart of Valleta's Grand Harbour, the Mediterranean Maritime Hub ('MMH') is a fully integrated maritime facility operating in line with international and national legislation particularly the International Ship and Port Facility Security (ISPS) Code.

MMH is committed to maintaining all security-related responsibilities enshrined in the National Maritime Security Compliance Strategy in line with the ISPS Code namely:

- The conduct of a Port Facility Security Assessment (PFSA).
- MMH is obliged to develop and maintain a Port Facility Security Plan (PFSP) and furthermore, co-ordinate, communicate and implement all security measures outlined in the PFSP to the National Port Authority.
- Provide all the required security-related training and awareness to MMH personnel, visitors, contractors, suppliers and other third parties.
- Manage effectively all available resources so to efficiently organise MMH's security procedures therefore accomplishing as practically as possible the requirements delineated in the PFSP.

In conclusion, MMH is committed towards a comprehensive security policy incorporating all aspects of available resources provided by national agencies and other stakeholders as required and if available.

A safe and secure environment at MMH ensures further investment, business opportunities and economic development.
